

WELCOME TO SPANISH INTERNATIONAL!!!

**Dear Parents,**

I am pleased to welcome you to the new 2019-2020 school year, and to acknowledge the trust you as prospective parents place in us for an excellent level of education in the Spanish language for your child. We are completely committed to our greater dedication and with the best resources so that your expectations and those of your children are fulfilled successfully. The collaboration and support from families is very important as well as a fluid communication, to obtain the expected results. Our experience as teachers and professionals in the teaching of the Spanish language and support for the development of children in all aspects is very important.

**About us**

**Spanish International Learning Center**

At SILCAG we do not only teach the Spanish language, we also educate happy and successful children.

Our most concern as parents is to leave our children in a place or to the care of someone that is highly qualified to educate, care and prepare our children when we are not present.

## **SILCAG VALUES OF SUCCESS**

### **Our Values of Success for our students:**

Love, Respect, patience, security, personal Development, applying **E**motional Intelligence, **M**otivating, **C**reating **D**iscipline with **L**ove, strengthening every day interest in life situations and solving them in an environment full of trust and harmony while empowering our students with self- confidence and happiness.

### **IMPORTANCE OF SPEAKING THE SPANISH LANGUAGE**

Intellectual and social development of a student at **SILCAG:**

Today, encouraging our children to learn more than one language is a basic rule of professional success.

### **Important Advantages**

In the United States, the Spanish language has become the second most important language, speaking Spanish in the United States and other parts of the world gives our children and us as parents, more opportunities for growth and develop in many areas, like professional and social. Develops cognitive skills, regulates negative emotions, improves attention in children, protects against Alzheimer, improve the codification of sounds, give more confidence in decision making, reinforce a high level of self-esteem'

### **START LEARNING SPANISH LANGUAGE AT EARLY AGE**

Starting at early age is the most advisable for learning a foreign language, since the connections of the brain are ready to mature progressively, helping mobility, communication and adaptation of the environment, predicting 100% learning success.

## SPANISH IMMERSION METHOD THE BEST OPTION TO LEARN A FOREIGN LANGUAGE

### **LINGUISTIC IMMERSION METHOD**

Is the best approved method to-learn a foreign language, linguistic Immersion means that a student is fully introduced into an environment where the learning language dominates the environment.

Everything you see and hear is in the Spanish language, so little by little you will begin to think, speak and reason in Spanish.

Our teachers have College degrees; they are selected based on their teaching experience to provide a warm and positive classroom environment that will make your child feel comfortable. They are ready to answer any questions about the Spanish language.

Now is the time to learn more!

Let us be part of your child's life, walking with him to fulfill his goals of success at his young age!

Please do not hesitate to contact me by phone or email with any questions.

Sincerely,

**Adriana Miranda Green**
